**REGULAR JUDGE**

**HELEN BRETTELL**

I started being involved with show dogs in about 1968, when my mother got her first Borzoi. They were two brothers, born and bred in Canada, who became group winners and addicted the entire family to the showing of dogs. I still have Borzoi today, who are descended from those original two dogs. I got my first whippet in 1975, from Jean Ueltschy. This was a rose fawn dog that did well in Canada, but was not the right "look" for the U.S. My involvement in whippets might have ended there except that I became romantically involved with Cloyce Almonrode, of Briarwyke whippets, who had recently become divorced. Briarwyke whippets were strongly bred on English lines, especially Barndance. We married and carried on with the whippets, but the relationship did not last. We eventually divorced and I kept the whippets.

I worked to preserve those bloodlines, but have also moved in different directions. Nine years ago, Mary Downing and I co-bred a litter from one of her bitches bred to an Allerei dog and this has been a new start for me. I have a multi-specialty winner from that breeding, Ch. Lost Creek Malted Milk Whimsy, a mostly white dog who has done nice winning for me and has produced some lovely puppies. Everything I have now I descended from him and I am happy about how it is all going. Last year one of my young dogs was honored to win the Whippet Club of B.C. Specialty under Pauline Oliver. I only breed once a year, or less, and prefer showing at Specialties to all-breed shows.

As a breeder and judge, I love all the wonderful colors and markings of whippets and truly believe that color is immaterial. I like a strong sound dog that is also attractive in appearance. I believe that judging dog shows is about the dog, not about the presentation.

**SWEEPSTAKES JUDGE**

**LYNN CLEARY**

I have been in sighthounds since 1978 and whippets since 1981 and have bred several top Lure Coursing whippets. I have shown many of my whippets to their Championship, including BISS, BPISs, and many Group placements. More currently we started straight racing and oval track for whippets. I believe Form follows Function. We have held CKC Lure Trials on our property over the past 18 years, and straight racing for the past 4 years.

It is a honor to be asked to judge your Sweeps, and I am looking forward to seeing all your lovely puppies!

## Remembering Nipper (a.k.a "The Whippet")

### Jansim Nip 'N Tuck TT,CGC,JC

**March 1992 - June 10, 2006**

We picked Nipper up from the Montreal SPCA the week before Christmas, 1992.

That was the start of a fourteen-year adventure. She coursed, camped and canoed. She hunted with our Border Terriers, locating active holes with unerring accuracy but never participating in the rough stuff.

She counter cruised to the detriment of several dishes and raided cupboards to the occasional detriment of her own digestive system until we found a foolproof system of bungees, and other whippet-proof devices.

She travelled everywhere with us, making friends -two-legged and four - wherever she went.

*May you ever run with the wind swift friend. Your velvet muzzle, zest for life and regal sight hound expectations are still missed. The void you left in our hearts may be filled but your pawprints will never be erased.*
